

CENTRE FOR CAREER GUIDANCE

PERSEVERANCE • DEDICATION • SUCCESS

ABOUT US

The complexities of our legal system have created hundreds of legal career options that serve a variety of core and non-core legal functions. From Lawyers, Judges, and Mediators to Paralegals, Secretaries, and Consultants, the legal professional's role is expanding and evolving to keep pace with the ever-changing legal system. A part of selecting the suitable career path includes making a sincere self-assessment of one's talents, abilities and pursuits. The Centre for Career Guidance of Geeta Institute of Law is paramount pace towards the career development of students. The Centre is working under the guidance of Dr. Dharmender Patial, Professor & Dean, Geeta Institute of Law, Panipat, Delhi-NCR.

The Centre's approach is to expose students to myriad experiences that will help to hone all their sensibilities. The Centre's approach is mainly based on holistic development of students. The Centre is, hence, focused to Help, Guide, Motivate, Support and Train students in order to foster their Intellectual, Social and Personal Transformations. The Centre pitch on to conduct a variety of activities such as organizing Conferences, Seminars, Lectures Series, Workshop, Educational Visits, Parliamentary Debate, MUN, Essay Competition, conducting Survey, Panel Discussion, Student and Faculty Exchange Program, Research Projects Performances and Screening with a multi disciplinary approach in order to open the door for intellectual exchange of interests.

VISION

This Centre has been established with an aim:

- To help each student define career objectives and identify employment opportunities based on their interests, skills and other preferences.
- To provide resources, support, and opportunities to students to help them grow in their professional life.
- To organize programs and events that allow students to acquire knowledge about various practice areas, develop professional skills, and build their professional networks.

The Centre focuses on helping the students to evaluate their goals, explore possibilities, and navigate their job searches by offering one-on-one counseling, resources and programs on career paths.

OBJECTIVES

The Centre is working to achieve the following objectives:

- To help students and guide them when it comes in decision making on choosing their career path.
- To provide information about career opportunities within and beyond academia, as well as guidance in the processes of self-assessment, career exploration and job search.
- To use comprehensive and scientific career counselling systems which have led to groundbreaking results and success stories.
